

# PROGRAMME OUTLINE

## Monday June 28, 2010

- 17:30-22:00 *Registration* at IFM-GEOMAR Aquarium, Kiellinie  
18:00-22:00 *Icebreaker* at IFM-GEOMAR Aquarium, Eingang Kiellinie

## Tuesday June 29, 2010

- 08:00-09:00 *Registration*  
09:00-09:30 Workshop opening and welcome address  
09:30-10:30 Invited Lecture  
10:30-11:00 *Coffee Break*  
11:00-12:00 Session O1: **Fundamentals of particle formation and transport**  
12:00-13:30 *Lunch Break*  
13:30-15:00 Session O2: **Calibration, standardization, reference materials**  
15:00-15:30 *Coffee Break*  
15:30-18:00 Poster Session, Manufacturer Exhibition

## Wednesday June 30, 2010

- 09:00-09:30 Invited Lecture  
09:30-10:30 Session O3: **Femtosecond laser ablation**  
10:30-11:00 *Coffee Break*  
11:00-12:00 Session O4: **Instrumentation**  
12:00-13:30 *Lunch Break*  
13:30-14:30 Session O5: **Applications in geochemistry**  
14:30-15:00 *Coffee Break*  
15:00-16:00 Session O6: **Imaging, applications in life science**  
16:00-18:00 Poster Session, Manufacturer Exhibition  
19:00-22:30 *Workshop cruise and dinner on-board MS "Freya"*

## Thursday July 1, 2010

- 09:00-10:30 Session O7: **Forensics, materials science, and nuclear research**  
10:30-11:00 *Coffee Break*  
11:00-12:00 Session O8: **Applications in biogeochemistry**  
12:00-13:00 Closing discussion, workshop summary, and awards  
13:00-14:30 *Lunch Break*  
15:00-18:00 Lab visits (optional)

## Friday July 2, 2010

- 09:00-15:30 *Post-workshop excursion* to Deutsches Elektronen Synchrotron (DESY) and HASYLAB, Hamburg
